(the “**Notes**” or the “**Series**” and the holders thereof the “**Noteholders**”)

Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (the “**Market Abuse Regulation**”) requires disclosure of inside information relating to the Issuer and the Notes.

This announcement contains inside information as defined in Article 7 of the Market Abuse Regulation and is disclosed in accordance with the Issuer's obligations under Article 17 of the Market Abuse Regulations.

Capitalised terms used but not otherwise defined in this notice shall have the meanings ascribed to them in the Series Memorandum in relation to the Notes dated 23 March 2016.

Reference is also made to the Issuer’s announcement of 07 August 2018 in which it notified investors that there was a Potential Event of Default relating to the Notes and an inability to calculate the NAV.

VALUATION AT ZERO OF NOTES

The Issuer has received notice from the Calculation Agent that the Net Asset Value (NAV) of the Notes has been set at zero (0) as of 18 December 2018. The Calculation Agent has determined that the underlying investments made by Select Industries p.l.c. hold no fair market value. In this sense, an analysis of the limited information available indicates that Select Industries p.l.c. had invested in several of the entities that have come under control of the appointed liquidators referred to in the Market Abuse Regulation Notice dated 9 November 2018 concerning Liquidity Rate Fund (Series 32) Notes due 2035 ISIN: XS1246650862.

Without prejudice to the foregoing (and without purporting to limit any person's liability for fraudulent misrepresentation), no responsibility or liability is or will be accepted by the Issuer in relation to the accuracy or completeness of this Market Abuse Regulation Announcement and any such liability is expressly disclaimed.
